## SIGNATURE TREATMENT

### Traditional Foot Massage

Based on traditional knowledge of pressure points, the ancient art of foot reflexology relaxes muscles, eases tension, frees the nervous system of blockages, and harmonizes your energy flow.

Your treatment begins with a gentle floral foot wash, followed by an invigorating exfoliation using the finest regional ingredients such as aromatic, cool peppermint scrub. Our therapist then focuses on pampering your feet with herbal oils and aromatic, soothing creams. By the end, you will feel like you are walking on a cloud.

### Traditional Bamboo Massage

The warm bamboo canes with oil are used as a tool replacing the therapist hands and giving a deeper, firmer massage. The cane is held by the therapist and rolled over the muscle with the same strokes they would use with their hands. The muscle is then kneaded, which assists in the release of tension and easing of knots. The treatment is perfect for those who need a strong massage.
